AWARD

1. This award shall dispose off the industrial dispute received in this Court under Section 2-A(2) of the Industrial Disputes Act, 1947 (*hereinafter called 'ID Act'*).

2. Case of the workman in brief is that he was appointed as Officer in Grade E4 in the company *vide* appointment letter dated 13.12.2007. He was given CTC ₹ 1,20,000/- per annum. He was allotted an Employment Code 909929 for all internal communications, system logging of sales / any business. The workman was confirmed in service with effect from 14.03.2008 *vide* letter dated 30.03.2008. The work & conduct of the workman was found excellent by the management and after evaluating his service record *vide* letter dated 01.07.2010 he was promoted to the post of Senior Officer Grade E3 in view of acknowledging outstanding contribution and commendable performance in IT Support Team. His salary / CTC was also revised from ₹ 1,92,000/- per annum to ₹2,30,400/-per annum. The workman was awarded the Best Employee Award IT in Pan India for the year 2009-10 by the management. The workman was further promoted to the post of Assistant Manager in Information Technology Department by the management *vide* letter dated 09.09.2015. The salary / CTC of the workman was consistently increased every year after seeing his outstanding work in the company but he received a letter dated 14.07.2017 from the management in which his services has been illegally & arbitrarily terminated without giving a cause or any notice thereof. He had been working with the management from the last ten years and has been regularly promoted and appraised. No compliance of Chapter V-A and relevant sub-clauses of Section 25 was made. The workman sent a legal notice dated 17.08.2017 to the management to reinstate him but they rejected the claim of the workman. The management adopted vindictive method to remove the workman. The workman was not given any prior notice and no opportunity of hearing was given as such the action of the management amounts to violation of principles of natural justice. The cause of action arose to the workman on 14.07.2017 when the workman was retrenched and on 15.03.2018 when the conciliation proceedings broke down before the Assistant Labour Commissioner, Union Territory Chandigarh. Cause of action has arisen to the workman within the jurisdiction of this Tribunal so this Tribunal is competent to adjudicate on the

present claim. Ultimately, it is prayed that the claim of the workman be accepted and the management be directed to reinstate the workman with continuity of service with interest of 18% per annum on the arrears of pay from the date of termination till the date of release of the same along with all the consequential benefits.

3. The management contested the case of the workman raising preliminary objection that the claim statement has been filed by the complainant-workman by alleging wrong information. He had not come to this Court with clean hands and is estopped to file the present claim statement by his own act & conduct. The management is bound to follow instructions of top management in case of grave misbehaviour or misconduct committed by any of the employee. The management had not violated at all any point of time terms & conditions entered between the employee-employer. The workman had not complied with the terms & conditions, as settled between the parties, to the lis so he cannot take benefit of his own wrong as he is not a 'workman'. He was serving on the post of Assistant Manager and drawing annual salary package of more than ₹2,30,400/-. On merits, it is pleaded that the complainant-workman quite often used filthy and abusive language for his superiors that too in front of prominent clients. One explanation mail addressed to the applicant-workman to which he never replied. With the passage of time the complainant-workman being arrogant in nature spoiled office atmosphere on various occasion was not fit for further other employees / colleagues being not satisfactory and further he was advised several times to mend his ways and to act maturely. Taking cognizance of the same, the office of management No. 2 issued a warning letter *vide* its office letter dated 07.07.2017. The applicant-workman is not entitled to any relief, as claimed. Other averments of the case of the workman were denied and ultimately, it is prayed that the claim of the workman be dismissed.

4. The workman filed replication reiterating the averments of his case and denied the averments made in written statement. From the pleadings of the parties, following issues were framed by the then Presiding Officer :—

1. Whether the services of the workman were terminated illegally by the management, if so, to what effect and to what relief he is entitled to, if any ? OPW
2. Relief.

5. In support of the case, the workman stepped into the witness box as AW1 and closed the evidence. On the other hand, the management examined Shri Jyoti Dodeja as MW1. Learned representative for the workman tendered certified copy of resolution and closed the evidence.

6. I have heard the learned representatives for the parties and have gone through the file carefully. My findings on the issues framed in this case are as follows :—

Issue No. 1 :

7. Onus to prove this issue was on the workman and to discharge the same learned representative for the workman has examined the workman as AW1, who deposed that he was appointed as Officer in Grade E4 in the company *vide* appointment letter dated 13.12.2007 and was given CTC ₹ 1,20,000/- per annum. He was allotted an Employment Code 909929 for all internal communications, system logging of sales / any business. Copy of appointment letter dated 13.12.2007 Exhibit 'A1'. He was confirmed in service with effect from 14.03.2008 *vide* letter dated 30.03.2008 Exhibit 'A2'. His work & conduct was found excellent by the management and after evaluating his service record *vide* letter dated 01.07.2010 he was promoted to the post of Senior Officer Grade E3 in view of acknowledging outstanding contribution and commendable performance in IT Support Team. His salary / CTC was also revised from ₹ 1,92,000/- per annum to ₹ 2,30,400/-per annum. He further deposed that he was awarded the Best Employee Award IT in Pan India for the year 2009-10 by the management. Copy of award / certificate is Exhibit 'A3'. He was further promoted to the post of Assistant Manager in Information Technology Department by the management *vide* letter dated 09.09.2015. He received a letter dated 14.07.2017 from the management in which his services have been illegally & arbitrarily terminated without giving a cause or any notice thereof. Copy of letter dated 14.07.2017 is Exhibit 'A4'. He also deposed that he had been working with the management from the last ten years and has been regularly promoted and appraised. He sent a legal notice

dated 17.08.2017 to the management to reinstate him but they rejected the claim of the workman. Copy of legal notice and reply thereto is Exhibit 'A5' & 'A6'. Copy of reference dated 15.03.2018 by the Assistant Labour Commissioner-cum-Conciliation Officer is Exhibit 'A7'. The management adopted vindictive method to remove him and had not given any prior notice and no opportunity of hearing was given.

8. Learned representative for the workman has argued that he was appointed as Officer in Grade E4 in the company *vide* appointment letter dated 13.12.2007 and was confirmed in service with effect from 14.03.2008 and was awarded best employee award in the year 2009-10. On 14.07.2017 his services have been terminated arbitrarily without giving any cause or notice. He served legal notice dated 17.08.2017. He argued that the workman has been in continuous service with the management for ten years. The services of the workman were terminated illegally by the management so he is entitled for reinstatement with continuity of service along with interest and all consequential benefits. He relied upon citation *Arkal Govind Raj Rao Versus CIBA Geigy of India Limited, Bombay, 1985 SCC(3) 371*.

9. On the other hand, learned representative for the management has examined Shri Jyoti Dodeja as MW1, who deposed that the claim statement has been filed by the complainant-workman by alleging wrong information. He had not come to this Court with clean hand so he is not entitled for any relief. The management always aims to tender their liabilities / responsibilities in time and wages & other benefits are passed to the staff as per the respective office policy. The management is bound to follow the instructions of the top management in case of grave misbehaviour or misconduct committed any of employees and the management had not violated any point of time terms & conditions entered between the employee-employer. Since the applicant is not a 'workman' as he was serving on the post of Assistant Manager was drawing annual salary package of more than ₹ 2,30,400/- in the year 2017. The complainant quite often used filthy and abusive language for his superiors that too in front of prominent clients. One explanation mail addressed to the applicant to which he never replied. With the passage of time the complainant being arrogant in nature spoiled the office atmosphere. Office of management No. 2 issued a warning letter *vide* office letter dated 07.07.2017. He further deposed that office of management No. 2 issued termination letter dated 14.07.2017 to the complainant. He is not entitled to any relief claimed.

10. Learned representative for the management has argued that the present claim is not maintainable. The complainant had not come to the Court with clean and had suppressed the true and material facts from this Court. He is not a 'workman' as defined under the ID Act as he was working as Assistant Manager. He had not complied with the terms & conditions settled between the parties. He was arrogant and had spoiled the office atmosphere. He was advised several time to mend his ways. He had misbehaved with the Branch Manager Shri Gaurav Kakar, who sought explanation from the workman. The services of the complainant were terminated as per revised terms & conditions of his employment. He prayed for dismissal of the claim of the workman.

11. After giving my careful consideration to the rival contentions of both the sides, I find that admittedly the workman was appointed as Officer in Grade E4. Copy of appointment letter is Exhibit 'A1' and the workman has duly proved his confirmation letter dated 30.03.2008 as Exhibit 'A2', certificate of excellence for the year 2009-10 as Exhibit 'A3', copy of termination letter dated 14.07.2017 as Exhibit 'A4', copy of legal notice dated 17.08.2017 as Exhibit 'A5', copy of reply of legal notice as Exhibit 'A6', copy of Memo No.909 dated 15.03.2018 whereby conciliation proceedings were closed as Exhibit 'A7'. On the other hand, the management has simply proved and placed on record copy of resolution passed in the meeting of Board of Directors Mark 'X' whereby officials of the company were authorized.

12. Now the main bone of contention between the parties is that whether the workman was terminated illegally by the management or not. From perusal of oral as well as documentary evidence on record, it is crystal clear that the workman had proved on record termination letter dated 14.07.2017 but the management is taking plea that they have already given warning letter to the workman with regard to his work & conduct but the management has failed to prove on record any warning letter dated 07.07.2017 on file. MW1 Shri Jyoti Dodeja in his evidence stated that warning letter has been given to the workman through email by Shri Gaurav Kakkar but during his cross-examination himself admitted that no departmental inquiry against the workman was conducted by the company and the workman remained employed with the management over the period of ten years and was issued excellence certificate and his

salary was also hiked. Hence, no notice was issued, no charge sheet was served and no inquiry against the workman was conducted before termination of services of the workman and the management had straightaway issued termination letter dated 14.07.2017 without following proper procedure. The management had failed to prove the misconduct of the workman on the file. So, there is no iota of evidence regarding conducting of inquiry before terminating the services of the workman except bald statement of MW1 Shri Jyoti Dodeja. The management is relying upon the reply given by them to the legal notice sent by the workman but no proper procedure has been adopted before terminating the services of the workman. The workman has been illegally terminated in violations of principles of natural justice.

13. Secondly, MW1 during his cross-examination had admitted that it is correct that there was no employee under the workman namely Shri Surender Kumar. It means that the management witness himself admitting that Shri Surender Kumar falls within the definition of 'workman'.

14. As regard work & conduct of the workman is concerned, the workman had proved certificate of excellence award to him Exhibit 'A3' and MW1 also himself admitted that the company had not got any employee examined as a witness to prove alleged conduct of the workman. Meaning thereby the work & conduct of the workman has been appreciated by the management.

15. In the light of discussion made above, it is proved held that the services of the workman were terminated illegally by the management. Accordingly, this issue is decided in favour of the workman and against the management.

Relief :

16. In the light of findings on the issue above, this industrial dispute is allowed. The workman is entitled for reinstatement with continuity of service and 25% back wages. The management is directed to comply with the award within three months from the date of publication of the same in Government Gazette failing which the management is liable to pay interest at the rate 8% per annum on the amount of consequential benefits from the date of this award till the date of actual realisation. Appropriate Government be informed. Copy of this award be also sent to Learned District Judge, Chandigarh in view of Sub-section 10 of Section 11 of the Industrial Disputes (Amendment) Act, 2010 for onward transmission of the same to concerned Civil Court. File be consigned to the record room.
